

PORTUGUESE – LEVEL 2

Level 2 Classes: This course is suitable for people who already had 20-30 hours of classes, or who know some basic grammar and pronunciation, and would like to use it for holiday, work or family-related purposes. You will develop your communication skills, and by the end of this course you will be able to better communicate about family, friends, simple routine tasks and describe your immediate environment. You will also start to learn how to use the past tense. The course can be adjusted to the interests and learning speed of the students.

Term duration: 10 x weekly 2-hour classes

Key Language
